

TEXTILE KNIVES

Zenith Knives Maintain Their "Edge" For The Textile Industry

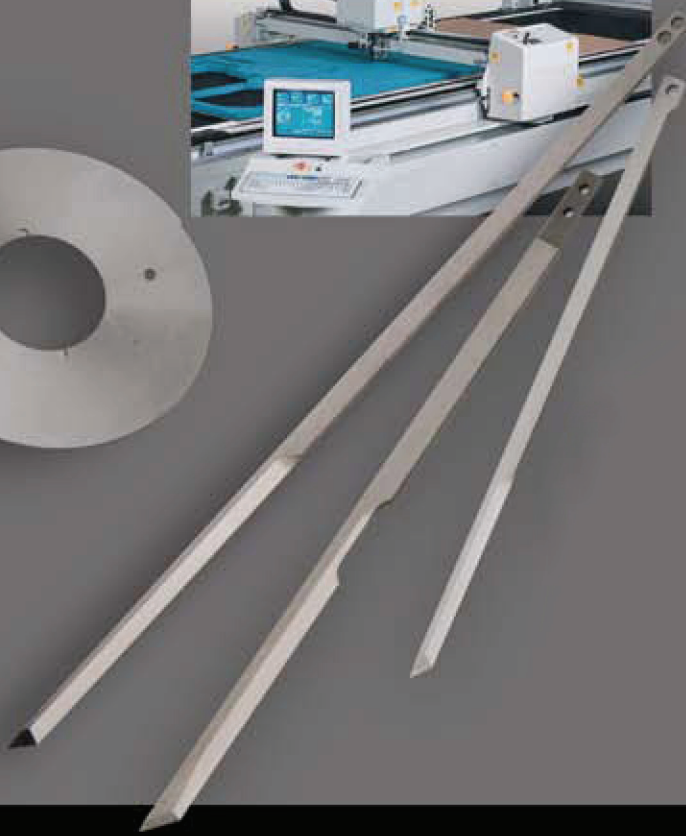

Since 1923, Zenith Cutter has been providing durable, high quality, precision industrial machine knives to industrial customers worldwide. Today Zenith Cutter provides an extensive array of Straight Knives, Circular Knives, and Carbide Plotter Blades specific to the Textile Industries. As an OEM supplier, all of our knives are manufactured to precise standards using state-of-the-art grinding, cutting and heat-treating equipment.

We maintain an extensive inventory covering most makes and models, thus assuring same day delivery, with minimal lead times on custom knives.

Please contact us with your application specifications.
